- G) Formation of Involvement of senior students in teaching junior classes.
- H) Social Club for celebrating festivals like Lohri and Teej.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Annexure attached

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Best Practice – I Commerce Students Society

Commerce Student Society (CSS) is an innovative feature of the institution. This society successfully manages a Book Bank and grievances of Commerce students and participates in various cultural, educational and welfare activities of the college. It is like a student club that was established in the session of 2006-07 by the Commerce Deptt. It is entirely a student oriented society and everything is organised by the students themselves under the patronage of the HoD.

Best Practice – II - Newborn Girl child celebrations (Lohri Dhiaan Di)

The institution caters to the educational needs of rural students, and is also committed to inculcate moral values and ethics in them. Since last four-five years the institute has been working towards social awareness in this region. Along with the routine women empowerment programs, the institute has started to enlighten the society through its cultural functions i.e. Lohri, by dedicating it to the newborn girl babies. Newborn girls from the surrounding villages are invited for the Lohri celebrations. According to parochial social traditions of India, a girl child is considered a curse, thus depriving her of any kind of birth celebrations. In our institution, we celebrate her birth by distributing traditional delicacies among students and staff. A bonfire is lit and folk songs and dances fill the atmosphere with melody, mirth and laughter. Thus this institute provides a platform to eradicate such malpractices. Initially, the institute celebrated the birth of only five such girls, which has now increased to eleven (11) girls every year.

7.4 Contribution to environmental awareness / protection

Eco Club is functional in the college. Environment Day is celebrated regularly and saplings are planted on this occasion in & around the college campus.

7.5 Whether environmental audit was conducted?

Yes

No

☐☒

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths <ul style="list-style-type: none">*Eco-friendly location & environment*Govt. institution with UGC funding*Disciplined and willing students	Weaknesses <ul style="list-style-type: none">*Less number of sanctioned and filled teaching posts*Uncertain cash inflow*Lack of modernized library building
Opportunities <ul style="list-style-type: none">*Favorable educational trends*Add on/ certificate/ Diploma Courses of short duration can be introduced*Because the college has a close proximity to Ludhiana, a major industrial city in the state, MoU's can be signed with concerned industries for training and placement of the pass out students of the college.	Threats <ul style="list-style-type: none">*Obstacles in the way of affiliations of new courses*Uncertain competitors' intentions*Lack of sustainable financial backing*Limitations of being a government institution

8. Plans of institution for next year
